# EMERGE

incorporating NORTH EAST STATIONERY

Your award winning workplace provider...

Now in our 14th year, we've built a wealth of experience, knowledge and an outstanding reputation through working with local businesses, just like yours.

We are incredibly proud to have been awarded "Best Business Supplies Company for 2023 for the North East of England".

We couldn't have achieved this without all of our amazing customers, thank you so much for your continued loyalty and support.

Our core focus is to put our customers at the centre of everything we do. We believe in building relationships to get to know you and understand your business. This allows us to develop and implement relevant and suitable solutions, along with a great selection of products, delivered in a way that's best for you. This is why we are well on our way to fulfilling our mission of becoming The North East's leading workplace solutions provider.

When you choose to partner with Emerge you get all the benefits of "buying local" with absolutely no compromise. We are partnered with powerful global buyers, enabling us to successfully compete against our largest national competitors. Even though we are your local choice, we have the network to deliver our services nationwide. If you operate from multiple locations, we have you covered.

Why not explore more about who we are and how we can help you today?
