

Here to help...

Essential PPE and Janitorial supplies to help stop the spread.

Home shredders to ensure you are GDPR compliant.

Stay stocked up on ink and toner supplies for work and schooling

Furniture for a fresh new look or home office.

Office equipment that puts your well being first.

No matter what your business or where you are working from, Peter Handley are here to help with essential supplies.

Whether you are onsite, working home, home schooling or more than one of the above, which is very likely right now! Let your local supplier deliver the essentials safely to your door, without you having to leave the house.

Lets all stick together whilst we have to stay apart.
